Dust Control Loose Dirt Remover

PURPOSE

Water-based treatment designed to attract & flocculate all loose dust and dirt to prevent tracking into building through foot traffic and into the air.

Stop the Dirt at the Door!

Spend less time maintaining the floor.

Use **Zing Dust Control** undiluted and spray all entrance carpets and dust mops daily.

Adjust trigger sprayer to a mist and spray all entrance carpets a minimum of 6 sprays each. Allow to dry 1 minute.

DO NOT OVER SPRAY

Dust Control works on all entrance carpet even carpets with worn fibers. For best results apply daily.

Dust Control should be applied to dust mops daily to hold loose dust and dirt
